## ANNOUNCEMENT

Each year this event has grown in size, territory that it reaches and in popularity. The consignors of cattle to this year's sale, who are from N. Dak., S. Dak. and Minnesota, have again reserved their very finest productions for this outstanding event. Top herd bull prospects as well as real range bulls along with good farmer bulls will be offered to the public. Probably no sale of Shorthorn cattle throughout the Northwest is held in higher esteem by both the public and the consignors—this year's event will further cement that feeling.

As a special attraction to this sale we feel the listing made by the Patterson Land Co., Bismarck, N. Dak., is worthy of your attention. Due to unprecedented demand for Shorthorn breeding cattle we were very short on entries. However, after much deliberation and persuasion the Patterson Land Co. is offering a very nice group of open and bred heifers—in fact, their offering includes every female from the 1949 and 1950 crop of heifers as well as the oldest heifer calves of the 1951 calves. Also, three very good three year old heifers that are well forward in calf will be sold. These heifers are sired by Marelibar Captivator who was the top bull of the 1947 Marellbar Farms Sale or by Beaufort Bonspeil who was the main herd sire at Marellbar Farms for several years and who is the sire of this year's (1951) top female that sold in the recent Marellbar Sale. As Bonspeil is now dead this will be one of the last opportunities to secure any of this blood. Eight of the Captivator females have been exposed to Bonspeil and should be well along in calf to that service. Other bred heifers carry the service of Supreme Allardice, a solid red son of Cruggleton Allardice. These heifers are in good thrifty condition and undoubtedly there will be bargains among them.

Cattle that have been previously sold at the Regional Shorthorn Sales have proven wonderful investments for their purchasers. With the continued high prices for beef being paid on the market now is the time to cull out those poorer animals and replace them with quality Shorthorns—there is no better place to do it than at the Jamestown Regional Sale on Monday, October 22, 1951.

## SALES COMMITTEE

N. T. FINDAHL, Waterville, Minnesota; Secretary  
Minnesota Shorthorn Breeders Association

EMERY SUMPTION, Frederick, South Dakota; Sumption Brothers

GILBERT L. ELKEN, JR., Eldak Farms, Mayville, North Dakota

HERMAN JOOS, Secretary, Chamber of Commerce,  
Jamestown, North Dakota

## TERMS AND CONDITIONS

The Sale will start at 2 p. m., Monday, October 22.

**TERMS:** All sales are cash or according to arrangements made between the buyer and seller. Settlement must be made with the clerk immediately after the sale. All cattle will be at the buyer's risk as soon as sold but assistance will be given in loading, in compliance with buyer's instructions.

**REGISTRATION CERTIFICATES:** A registration certificate and transfer certificate will be furnished with each animal, and an application for registry will be furnished with each calf sold at foot or in dam. Breeding dates in the catalog are furnished by the consignor.

**GUARANTEE:** Health certificates will be furnished with each animal. All cattle are sold subject to a sixty day retest for tuberculosis. Bulls are guaranteed to breed if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when bought, and if after three months' trial he fails to breed, the animal will be replaced with one of equal value or the money will be refunded. Cows with calves at side are considered breeders and no further guarantee is given. All other cows and heifers over fifteen months at the time of sale are guaranteed to be breeders. Animals which are returned to breeders because they fail to meet the guarantee statement will be at the buyer's cost of transportation. It is understood the guarantee of the cattle consigned to this sale constitute a contract between the consignor and the purchaser of each lot. Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale. The sales committee does not assume any responsibilities in these matters.

**MAIL BIDS:** Mail bids may be sent to Mervin Aegeter of the Shorthorn World; Jack Halsey, auctioneer; Clem Larson of the American Shorthorn Breeders Ass'n.; members of the sales committee; or to Gilbert Elken, Jr., Sales Manager. Bids sent will be handled confidentially and conservatively in the interests of the bidder, if unable to attend in person. Any bids should be sent to the above parties in care of the Gladstone Hotel, Jamestown, N. Dak., sale headquarters.

**CLERK OF SALE:** National Bank of Jamestown and the James River National Bank.

**AUCTIONEER:** Col. Jack Halsey, Des Moines, Iowa, and assisted in the ring by representatives of The Shorthorn World and the American Shorthorn Breeders Association, and other fieldmen.

**SALES MANAGER:** Gilbert Elken, Jr., Mayville, North Dakota.

The following 33 animals are consigned by

**THE PATTERSON LAND CO.**  
of Bismarck, N. Dak.

**Special Note:**

This spring the Patterson Land Co., of Bismarck, N. Dak., purchased the well known Shorthorn herd of M. J. Stramer of Hazelton, N. Dak. This herd has a very enviable reputation throughout the country as the females were a choicely bred group having been selected from leading herds in this country. Probably as strong an infusion of Allen Cattle Co. breeding are found in these pedigrees as in any herd today. Numerous other strong additions were added to make this herd one of choicest breeding. In the fall of 1946 Mr. Stramer purchased at the Marellbar sale this solid red Marellbar Captivator at the top of the sale. This son of Klaymor Footprint is the sire of the older heifers and of few of the younger heifers. Later when Beaufort Bonspiel was secured this herd had at its service two outstanding bulls. Beaufort Bonspiel was a wonderful bull being very thick, short legged and with tremendous width of rear quarters. Better still he was a wonderful sire, proof of this is borne out that the 1951 top Shorthorn female sold at auction was sired by him and sold at the recent Marellbar sale. Bonspiel has been disposed of and this sale offers one of the last opportunities to secure this potent blood. Two royally bred sons of his sell as well as 13 daughters. Also eight heifers have been exposed to Beaufort Bonspiel.

Due to unprecedented demand we found ourselves with greatly reduced entries for the Eighth Annual Regional Shorthorn Sale. The Patterson Land Co. was invited to list their available heifers in this sale. I have personally seen every animal they are consigning. They have all been out on pasture this season and as a result are not in show shape but are a good, useful lot of heifers. Included in the offering are numerable show prospects and good foundation females.

Some of these heifers were exposed to Beaufort Bonspiel from Jan. 1, 1951, to June 5, 1951. They are Lots 30, 31, 32, 33, 36, 38, 41, 43.

Others were exposed to Supreme Allardire, a select red son of Cruggleton Allardire, main herd sire at Marellbar, and whose dam is Fair-acres Augusta 10th. They are Lots 34, 35, 37, 39, 40, 42, 44.

This offering gives Shorthorn Breeders an opportunity that is seldom theirs—that of choosing females from the entire heifer crop and that is what is possible in this consignment. I feel sure that there will be bargains in this offering. Why not take advantage of this sale and be among the fortunate ones?
